### Who We Are

Lebanon Valley Rails to Trails, Inc. is a private, nonprofit organization of volunteers working to enhance the Lebanon community by converting and maintaining abandoned railroad corridors into public recreation trails. As a part of a nationwide trails and greenways movement, we are preserving a part of Lebanon's railroad history while providing a much needed resource for the future.

## **Our Vision**

The Lebanon Valley
Rail-Trail currently extends
from the City of Lebanon s

from the City of Lebanon south 15 miles to the Lancaster County line, passing through the communities of South Lebanon, Cornwall, Mt. Gretna, Colebrook and Lawn. Trailheads with parking and other amenities are conveniently spaced along the way. We hope to someday extend the trail through the city to the Union Canal Tunnel Park and northward to Swatara State Park. In addition, we are actively promoting the development of numerous potential spur trails that would branch out into surrounding neighborhoods, commercial centers and other attractions.

#### **Volunteers**

LVRT depends on volunteers for all of the following activities: trail maintenance, public relations, event planning, future trail development planning and advocacy, and fundraising. Anyone interested in any of these opportunities can attend a monthly LVRT meeting to obtain more information about current specific needs.

Meeting: The first Wednesday of each month

Where: Cornwall Borough Office

26 Burd Coleman Road

Cornwall, PA
